

Choon Yao Lee

Software Engineer

Kajang, Selangor • +601133922135 • leechoonyao03@lutar.my

SUMMARY

I am a Software Engineering graduate with a solid foundation in Java, C++, and web technologies. My academic and internship experiences have equipped me with hands-on skills in application development and software testing. I am familiar with object-oriented programming, basic web development, and effective problem-solving strategies across the software development lifecycle

EXPERIENCE

Software Engineer Intern, Kidocode

Oct 2024 - Jan 2025

- Delivered hands-on coding lessons in Python, JavaScript, HTML/CSS, and Flask to students aged 5 and above.
- Conducted functional and usability testing on the company's product.
- Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set.

EDUCATION

Bachelor of Science (Honours) Software Engineering

Jan 2023 - Jan 2026

Universiti Tunku Abdul Rahman (UTAR), Sungai Long

- Current CGPA: 2.94
- Committee member of **MBOT** (2024–2025)
- Completed University-level Coursework:** Advanced Web Application Development, Object-oriented Application Development, Artificial Intelligence, Wireless Application Development, Software Testing
